

Community Leaders Support Pierluigi Oliverio for Supervisor

I served with Pierluigi for 8 years. His focus on the priorities of the community, his honesty, and his commitment to principles and his residents were

outstanding. I support him for Supervisor and believe he will serve the residents and taxpayers of our County well.

Chuck Reed
Former San Jose Mayor

Pierluigi's focus on core services and fiscal responsibility makes him the best candidate for Supervisor. He wants to spend taxpayer dollars responsibly to ensure residents

benefit from as many services as possible. I'm confident he will proactively address our most important issues -- homelessness, mental illness, and foster care.

Dev Davis, San Jose Councilwoman

I have known Pierluigi as a young educator and a councilmember. I am truly impressed with Pierluigi's independence of thought to do the right things that affect his constituents. He works hard to fulfill

his responsibilities and is willing to make the hard decisions, regardless of the political consequences.

Nick Gervase, former Superintendent of Santa Clara Unified School District

"I'm voting for Pierluigi because he is driven by action through efficiency, and solutions through innovation."

Jimmy Lew, former president Burbank Community Association

"I have known Pierluigi Oliverio for well over a decade. I have continued to be impressed with his leadership skills, his intellect, his honesty and his creativity in problem solving. Pierluigi is a public servant who truly believes that his sole

responsibility is to serve the people he is elected to represent. He truly values listening to his constituents and working with them to solve their concerns."

Keri Procnier McLain, Former President YWCA Silicon Valley

As a Campbell/ San Jose school trustee I know Pierluigi is the most qualified and will always put children and families first.
